

ALPhA's Statement on Diversity

The Advanced Lab Physics Association (ALPhA) recognizes that scientific and educational excellence and innovation are best achieved in a diverse, inclusive community where different perspectives can be shared and integrated. Therefore, ALPhA is committed to increasing access to advanced laboratory experiences and the development of transferable skills throughout the laboratory curriculum for all physics students regardless of race, ethnicity, age, gender identity or expression, ability status, personal appearance, sexual orientation, national origin, immigrant status, religion, medical condition, ancestry, marital status, political affiliation, educational background, and military or veteran status.
